

# Everybody's Girl

Rick Springfield

Well, who'd have believed this seasoned connoisseur lady-  
killer like me  
Would get hurt by a girl like you  
And they got names for dirty little girls like you, honey  
It ain't nice no, but they call you Everybody's Girl

And they say, "Here she comes, here she comes, here she comes"  
And they say, " Here she comes, here she comes, here she comes"  
There goes Everybody's Girl  
Everybody's Girl, Everybody's Girl, Everybody's Girl "

You might say I was blind for a while  
I fell asleep at the driving wheel  
You sure woke me up in a hurry, honey  
And I can't blame anyone but me I know  
It's my fault for falling for Everybody's Girl

And they say, "He's the one, he's the one, he's the one"  
And they say, "He's the one, he's the one, he's the one"

He got screwed by Everybody's Girl  
Everybody's Girl, Everybody's Girl, Everybody's Girl

You got no apparent sensitivity  
You're cut deep with self-destructivity  
Your mind's made up, you're heading for the day  
When you'll shake and your heart breaks  
It's gonna come... Oh...Oh...

Everybody's Girl, Everybody's Girl  
Everybody's Girl, Everybody's Girl  
Everybody's Girl , you know the time's gonna come  
Everybody's Girl, you can't keep doing this forever  
Everybody's Girl, you're not gonna get another chance  
Everybody's Girl, you're gonna get it!
