

Heroes

Rick Springfield

Check the transmission set the key in the ignition turn the big
generators on
Us against the world into a fist our fingers curled till every
single hater's gone
We will, we will not surrender the call
We will we will bring a big wrecking ball (Come on)

We are heroes, and we are the guardians
Out from the shadows kickstart this heart again

There's an emptiness inside now for all the times I tried seeki
ng help from the aliens
From a guru, or the Force, the religion of the horse, or my Epi
scopaliens
No time to chill won't be a buried star
We will, we will tear open the scar (Come on)

We are heroes, and we are the guardians
Out of the shadows kickstart this heart again

Hey (hey)
Hey (hey)
Hey
Yeah (hey)

Hey (hey) hey yeah

Hey, Like a mountain we'll rise

Hey, Like the sea we'll thunder

Hey, We'll wear the tigers eyes

Hey, Coming up from under (Come on)

We are heroes, and we are the guardians
Out of the shadows kickstart this heart again
We will not yield when the clock strikes zero
I'll be your shield ' and you'll be myhero

Hey (hey)
Hey (hey)
Hey
Yeah (hey)
