

Catch Me If You Can

Ricki-Lee

I got my feet back on my ground
I got my head out of the clouds
Did I believe that there was one
You bring the air back in my lungs

On the nearest road to nowhere
Pick me up and carry me into the light
Into the light (and I said)

Catch me if you can, catch me if you can
You made it worth the fall
Catch me if you can, catch me if you can
You made it worth the fall

I'm resurrected, on again
I was afraid that it was the end

On the nearest road to nowhere
Pick me up and carry me into the light
Into the light (and I said)

Catch me if you can, catch me if you can
You made it worth the fall
Catch me if you can, catch me if you can
You made it worth the fall

When you're in a heart of darkness
And you're underneath it all, ask him
Catch me if you can, catch me if you can
You made it worth the fall

Catch me if you can, catch me if you can
You made it worth the fall
Catch me if you can, catch me if you can
You made it worth the fall

When you're in a heart of darkness
And you're underneath it all, ask him
Catch me if you can, catch me if you can
You made it worth the fall
