

Divu

Ricki-Lee

Walk in the room and then the party begins
I like to do it with the lights on
I wanna do it like we're playin' pretend
I wanna do it to the break of dawn

Tell me what you want and I'll give it to you
There ain't nothing know that I couldn't do (all eyes on me)
All eyes on me (like what you see)
Like what you see (I'll rock your world)
I'll rock your world just like in your dreams

Like a diva, d-d-d-diva
If you want, I'll give you a private show
Like a diva, d-d-d-diva
Queen of the night, I'm runnin' the show
D-d-d-diva, d-d-d-diva
Yeah, I'mma run this like you did it before
D-d-d-diva, d-d-d-diva
Queen of the night, I'm runnin' the show

Mirror mirror hangin' up on the wall
Take a look into my crystal ball
Got all the answers that you've been lookin' for
I'll take you anywhere you want to go

Tell me what you want and I'll give it to you
There ain't nothing know that I couldn't do (all eyes on me)
All eyes on me (like what you see)
Like what you see (I'll rock your world)
I'll bring to life all of your fantasies

Like a diva, d-d-d-diva
If you want, I'll give you a private show
Like a diva, d-d-d-diva
Queen of the night, I'm runnin' the show
D-d-d-diva, d-d-d-diva
Yeah, I'mma run this like you did it before
D-d-d-diva, d-d-d-diva
Queen of the night, I'm runnin' the show
Queen of the night, I'm runnin' the show
Queen of the night, I'm runnin' the show

I'm taking the throne, I'm ready to go
Gonna blow this to Kingdom Come
Ready or not, here I come

Like a diva, d-d-d-diva
If you want, I'll give you a private show
Like a diva, d-d-d-diva
Queen of the night, I'm runnin' the show
D-d-d-diva, d-d-d-diva
Yeah, I'mma run this like you did it before
D-d-d-diva, d-d-d-diva
Queen of the night, I'm runnin' the show
Queen of the night, I'm runnin' the show
Queen of the night, I'm runnin' the show
