

I Was Made For Loving You

Ricki-Lee

I was made for loving you, baby
You were made for loving me
And I, I wanna wrap you in my love

There's no holding me back when you kiss me
My head is spinnin' so fast it's like I'm dreamin'
And I don't want it to stop can we go all night long?
We're all alone in the dark dirty dancin'
My heart is beating so hard and it's the best thing
I've ever felt in my life, having the time of my life
You got me feeling ali-li-li-live

I was made for loving you, baby
You were made for loving me
And I, I wanna wrap you in my love
I was made for loving you, baby
You were made for loving me
And I, I can never get enough

When you're holding me close it's like we're lightnin'
And I don't wanna let go these lights are blindin'
You're like a shot to the heart and we go all night long
Yeah we were made from the start there's no denyin'
Our love could light up the dark and it's the best thing
I've ever felt in my life, having the time of my life
You got me feeling ali-li-li-live

I was made for loving you, baby
You were made for loving me
And I, I wanna wrap you in my love
I was made for loving you, baby
You were made for loving me
And I, I can never get enough

I was made, for loving you
You were made, for loving me
I was made, for loving, for loving, for loving you

I was made for loving you, baby
You were made for loving me
And I, I wanna wrap you in my love
I was made for loving you, baby
You were made for loving me
And I, I can never get enough
