

# Real Love

Ricki-Lee

Give me something that won't break  
The minute it get's hard to take  
Don't want nothin', nothing fake  
Yeah I know what I want, I know what I want

Real love is all that I need  
Just someone to make me believe in  
Real love, take a chance on me  
I'm not asking for too much  
There's no way I'm giving up on  
Real love, real love  
Real Love, take a chance on me  
I'm not asking for too much  
There's no way I'm giving up on real love

Hold me closer, let me go  
What you're feelin' just let it show  
If you want it, let me know  
So baby give it up, baby give it up

Real love is all that I need  
Just someone to make me believe in  
Real love, take a chance on me  
I'm not asking for too much  
There's no way I'm giving up on  
Real love, real love  
Real love, take a chance on me  
I'm not asking for too much  
There's no way I'm giving up on real

Real real love, real real love na na  
Real real love na na eh

Cause when I look in your eyes  
I swear I see something more  
Baby you don't have to hide  
I found what I'm looking for

Real love, real love  
Real love, take a chance on me  
I'm not asking for too much  
There's no way I'm giving up on real love

It's all that I need just someone  
To make me believe in real love  
Take a chance on me  
I'm not asking for too much  
There's no way I'm giving up on real

Real real love, real real love na na  
Real real love na na eh  
Real love, take a chance on me  
I'm not asking for too much  
There's no way I'm giving up on real love
