

# On The Street Where You Live

Rickie Lee Jones

I have often walked  
Down this street before  
But the pavement always stayed  
Beneath my feet before  
All at once am I  
Several stories high  
Knowing I'm  
On the street  
Where you live

Are there lilac trees  
In the heart of town  
Can you hear a lark  
In any other part of town  
Does enchantment pour  
Out of every door  
No it's just on the street  
Where you live

And oh the towering feeling  
Just to know  
Somehow you are near  
The overpow'ring feeling  
That any second  
You may suddenly appear

You know  
People stop and stare  
They don't bother me  
For there's nowhere else on earth  
That I would rather be  
Let the time go by  
I don't care if I  
Can be here  
On the street  
Where you live

And oh the towering feeling  
Just to know  
Somehow you are near  
The overpow'ring feeling  
That any second  
You may suddenly appear

You know  
People stop and stare  
They don't bother me  
For there's nowhere else on earth  
That I would rather be  
Let the time go by  
I don't care if I  
Can be here  
On the street  
Where you live  
Can be here  
On the street  
Where you live
