

Only Love Can Break Your Heart

Rickie Lee Jones

When you were young and on your own
How did it feel to be alone
I was always thinking of games that I was playing
Tryin' to make best of my time

But only love can break your heart
Try to be sure right from the start
Only love can break your heart
What if your world should fall apart

I have a friend I've never seen
She hides herself inside a dream
Someone should call her and see if she can come out
Try to lose the down that she's found

But only love can break your heart
Try to be sure right from the start
Only love can break your heart
What if your world should fall apart

When you were young and on your own
How did it feel to be alone
Only love can break your heart
Only love can break your heart
Yes, only love can break your heart
