## **Second Time Around**

**Rickie Lee Jones** 

Love is wonderful, the second time around Just as wonderful, with both feet on the ground It's that second time you hear your love song sung Makes you think perhaps that love, like youth, is wasted, is wa sted on the young

Love's more comfortable the second time you fall Like a friendly home the second time you call Who can say, what wrought us to this miracle we've found

There are those who'd bet Love comes but once - and yet I'm oh so glad we met The second time around

Love's more comfortable the second time you fall Like a friendly home the second time you call Who can say, what wrought us to this miracle we've found

There are those who'd bet Love comes but once - and yet I'm oh so glad we met The second time around.
