

# Slam!

**Ricky Blaze**

Too much liquor in my system for me to control your rhythm (Mmm  
hmmm mmm)  
Dancehall rub-a-dub all night long  
Make them girls get jealous (Mmm hmmm mmm)  
They want you -uh. They want a dude -uh  
When you wine and kotch, vibrate and stop, take it down low and  
start to come up  
They want you -uh. They want a dude -uh  
When you wine and kotch, vibrate and stop, take it down low and  
start to come up

Your emotion, got me on you  
I can't let go, I can't let go  
Your emotion, got me stuck on you  
I can't let go, I can't let go

Now why you gon' do that, why you gonna do that, why you make t  
hem girls mad  
I told them I'll be right back, I'll be right back, and I ain't  
come back yet  
Girl a-dem my [?], I need a hot girl in my bed  
You better tell your boyfriends, new dude coming to the crib

Your emotion, got me on you  
I can't let go, I can't let go  
Your emotion, got me stuck on you  
I can't let go, I can't let go

Your emotion, got me on you  
I can't let go, I can't let go  
Your emotion, got me stuck on you  
I can't let go, I can't let go

Can't let you go now  
Uuh uh  
Hey hey hey  
Can't let you go now  
Wine your waistline to the bass line  
Oh oh oh oh oh
