

Live It Up

Ricky Dillon

Now people keep asking
How I'm gonna live my life.
But I'm not really stressin'
'Cause I know I'm gonna be alright.
No matter direction
I'm always gonna find my way.
Can't be a perfection
So I guess I'm stuck with being me.

Sometimes I fall down, but I keep it good.
Patchin' up my bruises, yeah, brushin' off the dust.
If you got a dream, yeah, don't ever give it up.
Don't ever give it up, yeah!

It's only when we fall.
That we learn to fly.
It's only when we've lived, that we're not afraid to die.

Let's live it up, yeah.
Let's live it up, yeah.
Let's live it up, oh.
Let's live it up, yeah yeah.

Now don't be so protective
I'm about to go insane.
Yeah, so auto-correct it.
It's time to stop switchin' lanes.
Don't come out defensive
Let the possibilities.
No more wood, no more fences.
It's all about being free!

Sometimes I fall down but I keep it good.
Patchin' up my bruises, yeah, brushin' off the dust.
If you got a dream yeah don't ever give it up
Don't ever give it up, yeah.

It's only when we fall.
That we learn to fly.
It's only when we live, that we're not afraid to die.

Let's live it up, yeah.
Let's live it up, yeah.
Let's live it up, oh.
Let's live it up, yeah yeah.

It's only when we fall.
That we learn to fly.
It's only when we live, that we're not afraid to die.

Let's live it up.
Let's live it up.
Let's live it up.
Let's live it up.
