

I Am Made Of You

Ricky Martin

I came a long way From out of nowhere I stand before you
All alone Like a wolf's cry in the distance
I heard the calling Of your soul
Oh... I hear you cryin'

[CHORUS:] With your love Show me how to live
'Cause you are made of me
And I am made of you With your life
Show me how to give You are made of me
And I am made of you

We'll walk together
Through the fire
Through the darkness
To the sun
Like two raging rivers full of passion
At the ocean We are one
Oh... I hear you cryin'

I am made of you You are made of me
And everything you are
Is what I'm meant to be I am made of you
You are made of me And everything I am
Is what you made of me Oh... I hear you crying
Oh... Through the darkness To the light:

With your heart
Show me what is true
'Cause you are made of me
And I am made of you With your soul
Walk my spirit through
You are made of me
And I am made of you
Oh... I hear you crying through the darkness, through the light
