Settle Down

Ricky Montgomery

I can't see why you won't move to LA
You only call me when you're angry
I don't think this is gonna take
I can't see why you still live in New York
I know this isn't what you came for
I think I need a bit of space now

You read my mind when you came by
You hurt my head like a cheap red wine

I wanna settle down with you
(I wanna settle down) with you
(I wanna) Ahh
I wanna complain about my day with you
(I wanna settle down) with you
(I wanna settle down) Ahh

I grit my teeth and skip to the next part
You've gotta kill it when it won't start
We'll meet again another day now

You read my mind when you came by
You hurt my head like a cheap red wine

I wanna settle down with you
(I wanna settle down) with you
(I wanna) Ahh
I wanna complain about my day with you
(I wanna settle down) with you
(I wanna settle down) Ahh

I wanna leave, leave America with you
(I wanna settle down) with you
(I wanna) Ahh
