

## Just A Little Bit Sweet

Ricky Nelson

If you'd be just a little bit sweet to me  
You'd be surprised how happy this boy would be  
If you'd try to stop your messin' around and flirtin'  
Maybe my heart'd stop hurtin'  
'Cause you know pretty baby  
That your daddy's still in love with you

If you knew how it breaks my heart in two  
Everytime I see someone else with you  
If you'd stop your runnin' 'round and swingin'  
Give the bells a chance to start ringin'  
'Cause you know pretty baby  
That your daddy's still in love with you

You're so fine  
And I need you to be mine  
'Cause you know pretty baby  
That no body else will do

If you'd be just a little bit sweet to me  
You'd be surprised how good true love could be  
If you'd try me just a little bit longer  
Maybe our love will grow stronger  
'Cause you know pretty baby  
That your daddy's still in love with you

Come on, come on, come on  
Stop all your messin' 'round and swingin'  
Give the bells a chance to start ringin'  
'Cause you know pretty baby  
That your daddy's still in love with you
