

Tired Of Toeing The Line

Ricky Nelson

Baby, I'm
Tired of toeing the line
Don't know why you wanna jump on me
Baby, make me cry

Baby, I'm
Gonna find myself someone new
Someone who will be true
Tired of toeing the line

I know it's over, cause
I've seen the signs
Don't let me waste your precious time

Baby, I'm
Tired of toeing the line
If you want to get the rid of me
Babe, you're doing fine

I know it's over 'cause
I've seen the signs
You can't fix this heart of mine

Baby, I'm
Tired of toeing the line
I'm gonna put on my walkin' shoes
And leave it all behind

Baby, I'm
Gonna find myself someone new
Someone who will be true
Tired of toeing the line

Baby, I'm
Tired of toeing the line
Baby, I'm
Tired of toeing the line

Baby, I'm
Tired of toeing the line
Baby, I'm
Tired of toeing the line
Baby, I'm
Tired of toeing the line

Baby, I'm
Tired of toeing the line
Baby, I'm
Tired of toeing the line
Baby, I'm
Tired of toeing the line
Baby, I'm
Baby, I'm
