

## It's Mighty Dark To Travel

Ricky Skaggs

It's mighty dark for me to travel  
For my sweetheart she is gone  
The road is rough and filled with gravel  
But I must journey all alone

To me she was a little angel  
Sent down to me from God above  
It was on the day that I first met her  
That I told her of her love

It's mighty dark for me to travel  
For my sweetheart she is gone  
The road is rough and filled with gravel  
But I must journey all alone

Many a night we'd stroll together  
Talkin' of our love so fair  
My love for her will never vanish  
For I know I'll meet her there

It's mighty dark for me to travel  
For my sweetheart she is gone  
The road is rough and filled with gravel  
But I must journey all alone

Travelin' down this lonesome highway  
Thinkin' of my love that's gone  
Knowin' soon we'll be together  
She's the only love I've known

It's mighty dark for me to travel  
For my sweetheart she is gone  
The road is rough and filled with gravel  
But I must journey all alone

It's mighty dark for me to travel  
For my sweetheart she is gone  
The road is rough and filled with gravel  
But I must journey all alone
