

Lord, She Sure Is Good at Lovin' Me

Ricky Skaggs

Lord, she sure is good at lovin' me.

Lord, I know I prayed you'd take away the loneliness I knew
My wildest dreams could not conceive the works your hands can do
It feels so good to fall asleep in her arms every night
Leave it up to you to do things right.

Lord, she sure is good at lovin' me
I know you had a hand in this cause it's so plain to see
That I've been blessed with the very best that love will ever be
Lord, she sure is good at lovin' me.

I know that I could never find a way to repay
The gift of love you gave to me by sending her my way
And the very best that I could do is less than you should ask
But I'll do the best I can to make love last.

Lord, she sure is good at lovin' me
I know you had a hand in this cause it's so plain to see
That I've been blessed with the very best that love will ever be
Lord, she sure is good at lovin' me.

Lord, she sure is good at lovin' me...
