

## Say, Won't You Be Mine

Ricky Skaggs

Can't you hear the night birds cryin'  
Can't you hear that lonesome dove  
Sayin' won't you come back darlin'  
To the only one you love.

Meet me out on the mountain  
Underneath the lonesome pine  
Where we vowed we'd love each other  
Darlin', say won't you be mine.

Where the moun-tain laurel's bloomin'  
And the wild-wood blossom grows  
There we vowed to love each other  
In our child-hood long ago.

There I left my little darlin'  
Lord I've rambled for so long  
Many times I've prayed to see her  
Now I'm on my way back home
