

## Your Selfish Heart

Ricky Skaggs

I'm going away to stay awhile  
Just to ease my worried mind  
You never cared for me my love  
So I'm leaving you behind.

It's been this way so long my dear  
Why can't you understand  
Your selfish heart broke up our home  
Just for another man.

I tried to live my life alone  
All through these lonely years  
I keep your picture here with me  
Just to dry these bitter tears...
