

Somebody's Gonna Lose

Ricky Van Shelton

Somebody's staying out much longer than they should
Somebody's not doing all they said they would
And one of these days somebody's gonna have to choose
And when they do somebody's gonna lose

Somebody's sure making a big mistake
Somebody better wake up before it's too late
One day somebody's gonna shed their blues
And when they do somebody's gonna lose

Nobody has to call my name
And I know that I'm to blame
And I know that time is running out
To lose it all or change

Somebody better think about heading home
Cause somebody is getting tired of being alone
Somebody's shining up their walking shoes
And when they do somebody's gonna lose

Nobody has to call my name
And I know that I'm to blame
And I know that time is running out
To lose it all or change

Somebody better think about heading home
Cause somebody's getting tired of being alone
Somebody's shining up their walking shoes
And when they do somebody's gonna lose

Somebody's shining up their walking shoes
And when they do somebody's gonna lose
