

# Ultimately Fine

Ricky Van Shelton

I see her walkin' and I hear her talkin'  
And when she's dancin', she leaves all the boys behind  
Hey, what's her secret? Well, I gotta know  
Won't you tell me how she always steals the show?

Ultimately fine, the girl is ultimately fine  
When it comes to makin' boys go crazy  
The girl is ultimately fine

High heels and lipstick, dress is so tight  
She's got ya turnin' left when you want it to go right  
Hey, with those long legs, she'll walk over you  
Stay away, boy, if you can or ain't ya heard the news?

Ultimately fine, the girl is ultimately fine  
When it comes to makin' boys go crazy  
The girl is ultimately fine

She's not for comfort, she's built for speed  
She'll turn your head around and bring you to your knees  
But don't try to pass her, don't try to run  
She'll chew and spit you out and Lord, it's just for fun

Ultimately fine, the girl is ultimately fine  
When it comes to makin' boys go crazy  
The girl is ultimately fine  
When it comes to makin' boys go crazy  
The girl is ultimately fine

That girl is ultimately fine, ultimately fine  
That girl is ultimately fine
