Rico Blanco

Can anybody hear me?
Can anybody hear me?
I am calling
This mess is getting deeper
This mess is getting deeper
I am sinking
I am sinking

Only you can get me outta this
Only you can get me out of this mess that I'm in
I don't know where to begin
I'm waiting for you
Don't know what to do

The lights get even bleaker
My will gets even weaker
I am fading
I try my best to kill
The emptiness until
My heart stops beating
But I'm not breathing

Only you can get me outta this
Only you can get me out of this mess that I'm in
I don't know where to begin
I'm waiting for you
Don't know what to do

Only you can get me outta this
Only you can get me out of this mess that I'm in
I don't know where to begin
I'm waiting for you
Don't know what to do

Only you can get me outta this
Only you can
