

This Too Shall Pass

Rico Blanco

Tears in our eyes
Fears in our minds
We realise
We are all just one kind
Fighting the invisible
In a war that seems unwinnable

I don't know how, I don't know when
But I know love will find a way again
This too shall pass
This too shall pass
This too, this too, this too shall pass

There is no race
No
There's no religion
The world in pain
Searching for reasons
We are lost. Can we be found?
Together can we turn this thing around, around?

I don't know how, I don't know when
But I know love will find a way again
This too shall pass
This too shall pass
This too, this too, this too shall pass

I don't know how, I don't know when
But I know love will find a way again
This too shall pass
This too shall pass
This too, this too, this too shall pass

This too shall pass
This too shall pass
This too shall pass
