Real talk, you know. See... You used to keep it one hunnid, but when you posted my number on instagram, I look at that like rape.

[Kevin Gates:]

When they ask if ima Killa, then I might say yes I am.

Dis bitch screenshotted my text and posted that on instagram.

Hoes knowin, I eat pussy better then any nigga they know.

And this long tongue that I rap wit, lick every one of they holes.

Ima curl every one of they toes, bootyhole, bootyhole.

Shoppin, one of my hobbies. Woah kemosabe.

After my show wanna ride me? Downstairs in my hotel lobby

Dick her down got her hollin', she in love with Luca Brasi

[Bridge - Kevin Gates:]

Oh shit, gotdammit she flexin now

Bet them bands make her feel real sexy now

Freak wit it, she a real professional

Take her out and have my other hoes stressin' now.

[Hook:]

When they see me with my new bitch

I got em sick (sick)

When they see me with my new bitch

Got all my other hoes sick(sick)

But in bet they won't do shit

Yeah, she got em sick (sick)

So happy that I got this new bitch

[Rico Love:]

Down in that position, mane she got a way of twerkin that

From the way you whip it baby you deserve a Birkin bag

Finger lickin, countin all this chicken. Where the church's at?

Wanna see the sun set up on that ass, pull them curtains back.

Callin' me a trick nigga, I don't give a fuck!

You'd spend a bag too, if she let you fuck!

Saw her in the club, had to say wassup?

Need another five bands, cause this ain't enough

[Bridge - Rico Love]

[Rico Love:]

Guilty of all the spoils

You know them hoes ain't loyal

Them shoppin' spree's ain't cheap, and I always had somethin' for you.

Put that Beyoncé check on mami's neck

Niggas doin' time for lesser crimes, ain't figured how to beat them hypes yet.

Privately reclining on them jets

Cursin out the flight attendants, how much more parched could you get?

Thought you knew you ain't the only pretty bitch who pussy wet.

With some incredible sex

Look how fast a nigga move onto the next ahh shit
