

# Magic

Rico Nasty

I can make you feel the magic, fantastic (Yeah)  
Niggas can't get this, can't have it  
You can get it all 'cause I give it all (Yeah)  
If I'm feelin' down, you won't let me fall (Yeah)  
No matter where I'm at, you know you can call (Yeah)  
No matter what you did, you can't piss me off  
Uh-oh, not at all, all (All, all)  
No, not at all, all, all, all

I've been through a lot, know I reflected on you  
You there when they not, what more could I want from you?  
I need you by my side, you always know what to do  
Get me out of my mood and show me and prove  
This ain't nothin' that I had before unless it's déjà vu  
And I knew you in the past life that I had before  
Reminiscin' the feelings, the way you turned me on  
Never trippin' on issues 'cause we could fix 'em all  
It was hard tryin' to love, but I learned it though  
Give you all of my trust 'cause you earned it all  
I know you feel the sparks goin' on and on, and on, and on

I can make you feel the magic, fantastic  
Niggas can't get this, can't have it  
You can get it all 'cause I give it all (Yeah) (Oh)  
If I'm feelin' down, you won't let me fall (Yeah) (Oh)  
No matter where I'm at, you know you can call  
No matter what you did, you can't piss me off (Oh)  
Uh-oh, not at all, all (All, all) (Oh-oh)  
No, not at all, all, all, all (Oh)
