

## One On 5

Rico Nasty

I ain't finna trip  
Over no side-bitch, over no whip  
Over no crib  
Long as my sisters got a home  
We gon' be good, on my mama though  
I ain't finna flip  
I ain't finna act out over no boy  
Over no dumb shit  
Long as my sisters good to go  
Everything straight, on my mama though

See what happens, fuck with a bitch  
Jab, jab, cross on my elevator shit  
Play if you want to, pew-pew-bang  
I told you not to fuck with the gang

Give me that potion, that potion with Sprite  
Wet, wet lips, red, red eyes  
Lil' bit of, uh, with a little bit of bite  
What you scared for, babe? You ain't gotta hide  
Give me that potion, that potion with Sprite  
Wet, wet lips, red, red eyes  
Lil' bit of, uh, with a little bit of bite  
What you scared for, babe? You ain't gotta hide  
If my bitch jump, you gettin' jumped twice  
What's a one-on-one? Hoe, it's one-on-five  
One-on-five, one-on-five  
One-on-five, five, five  
One-on-five, one-on-five  
One-on-five, five, five

Bark on these boys so they call me a bitch  
My haters carbon copies, they counterfeits  
You don't really hate me, you love you some me  
Be real with yourself, girl, you love what you see

See what happens, fuck with a bitch  
Jab, jab, cross on my elevator shit  
Play if you want to, pew-pew-bang  
I told you not to fuck with the gang

Give me that potion, that potion with Sprite  
Wet, wet lips, red, red eyes  
Lil' bit of, uh, with a little bit of bite  
What you scared for, babe? You ain't gotta hide  
Give me that potion, that potion with Sprite  
Wet, wet lips, red, red eyes  
Lil' bit of, uh, with a little bit of bite  
What you scared for, babe? You ain't gotta hide  
If my bitch jump, you gettin' jumped twice  
What's a one-on-one? Hoe, it's one-on-five  
One-on-five, one-on-five  
One-on-five, five, five  
One-on-five, one-on-five  
One-on-five, five, five  
One-on-five, one-on-five  
One-on-five, five, five

One-on-five, one-on-five  
One-on-five, five, five
