

Sunrise Chaser

Ride

Round 'n' round 'n' round we go
Steam rolled into cracks we've grown

Awakening robbed by treachery
A signature of shameless greed

It's all the same to me

(Coming down
Early riser)
Last call for you
(Hear no sound
Sunrise chaser)

We'll be stronger than
When all this started
This will be our day

We'll be wiser than
When all this started

(Coming down
Early riser)
We'll never fade away
(Hear no sound
Sunrise chaser)

We're all walking each other home
We'll be stronger than
When all this started

We'll never fade away
We'll not fade away
We'll never fade away
We'll not fade away

(Early riser
Sunrise chaser)
We'll never fade away
