You could've said a word but you turned away
Why do you always act such a passive way?
Don't you ever think that I would suck up to you
But I still believe in you

Mitsu yaka ni kurasu kyojin tachi
Todoka nai todoka nai itsudemo
Tobira wo shimete shimau koukei
Toomawari toomawari itsudemo
Koushite hibi wa tatsu keredo
Ooki na janpu mosezu ni
Anata wa koko de nani wo shiteru no?
Aogi aogare dokomademo

Jounetsu wa tatete wa ike nai
Taiyou no shita demo
Keikoutou no shita demo
Ao shiroku hieru kanjou terashita
Terashite sono hikari de
Koushite hibi wa tatsu keredo
Ooki na janpu mosezu ni
Anata wa koko de nani wo shiteru no
Aogi aogare dokomademo

Iradachi no hazama ni aru taiman na karada
Yukkuri to oki agaru
Gensou dakedo wa mou imi ga nai
Kyukyo ka jikan wa aozora he
Sukui you no nai mizu no naka de
Gooru made tadoritsuke tara
Koushite hibi wa tatsu keredo
Ooki na janpu mosezu ni
Anata wa koko de nani wo shiteru no?
Aogi aogare dokomademo

I'm just waiting for you to stand up to it
What are you waiting for?
You could've said a word but you turned away
Why do you always act such a passive way?
Don't you ever think that I would suck up to you
But I still believe in you
