

Tiny Tiny Melody

Rie fu

I know that everybody
Wants to be what they want to see
Naki yanda bakari no sora
Jimen wa mada ame de shimetteru
I know that everybody
Wants to be what they want to see
Kuyashii omoi bakari
Kimi ni aezu ni iru kara
Mou tsukareta mou dame kamoshire nai
Soredemo kao wo agete
Todokeru no wa dareka no kotoba ja nai
Jibun no kotoba de

Oh this sweetest sweetest melody
Oh in this tiny tiny melody
Oh this sweetest sweetest melody controls me
You gotta say it, 'till they can hear it,
Anytime you ought to say it

I know that everybody
Wants to be somebody for somebody else
Risoukyou wa doko ni aru?
Kitto kono kimochi no soko ni
Mou tsukareta mou dame kamoshire nai
Soredemo kao wo agete
Ima koko de ato modori wa deki nai
Naite mo waratte mo

Oh this sweetest sweetest melody
Oh in this tiny tiny melody
Oh this sweetest sweetest melody surrounds me

Wasureta koto sura kasuka ni mieru
Kasuka ni mieru sono saki wa
Jibun de tsukuru imeeji ga
Sweetest sweetest melody

Oh this sweetest sweetest melody
Oh in this tiny tiny melody
Oh this sweetest sweetest melody

Oh this sweetest sweetest melody
Oh in this tiny tiny melody
Oh this sweetest sweetest melody

Oh this sweetest sweetest melody
You gotta say it, 'till they can hear it,
Anytime you ought to say it
