Fendi on my lunch, I can Ben Braun  
Relaxin' codeine castle eating filet mignon  
It's Eleanor Roosevelt in a golden cell  
I don't never ask for help  
Shot more jumps than Tony Delk  
I shot more jumpers than Mark Price  
I'm shaking the dice, I'm sevens twice  
I'm slurping slice  
My chain looks like, I just committed a diamond heist  
The fuck you want, the fuck you need  
I bob and weave with tricks up sleeve  
I vanish into the night like Harry Houdini, on a Versace jet ski
