

# A Chain

Riff Raff

I want a motherfucking chain  
I want a motherfucking chain  
I want a motherfucking chain  
I want a motherfucking chain

I want a motherfucking chain  
I want a motherfucking chain  
I want a motherfucking chain

I'ma recline like a fifth  
I might just diamonds on wrist  
2K16 games  
Pull out the heat like I'm Jessie James  
Bitch, I'm Billy the Kid  
Bitch, I split your wig  
Say you don't want it on cornerstone  
Bitch, I'm ballin' like Al Capone  
Left hand on my glock  
I am not that rude  
Lemon line on the Bentley coupe  
Politician substitute

I ain't tryna change, I'm just tryna stack chains  
I want a motherfucking chain  
I want a motherfucking chain  
I ain't tryna change, I'm just tryna stack chains  
I want a motherfucking chain  
I want a motherfucking chain

I want a motherfucking chain

I want a motherfucking chain

I want a motherfucking chain

I ain't tryna change, I'm just tryna stack chains  
I want a motherfucking chain  
I want a motherfucking chain  
I ain't tryna change, I'm just tryna stack chains  
I want a motherfucking chain  
I want a motherfucking chain

I ain't tryna change, I'm just tryna stack chains  
I want a motherfucking chain  
I want a motherfucking chain  
I ain't tryna change, I'm just tryna stack chains  
I want a motherfucking chain  
I want a motherfucking chain

I want a motherfucking chain

I want a motherfucking chain

I'm just tryna stack chains

I'm just tryna stack chains

I want a motherfucking chain
