# Always Up

**Riff Raff**

Love it though

I got a fetish for the money
I'm always up when it's sunny
I'm rolling, she acting funny
She dressed up like a bunny
Cuban 'round my fucking neck
Shawty give me sex
She be popping X
I think that I'm up next
I got a fetish for the money
I'm always up when it's sunny
I'm rolling, she acting funny
She dressed up like a bunny
Cuban 'round my fucking neck
Shawty give me sex
She be popping X
I think that I'm up next

I'm always up when it's sunny
I'm rolling I'm getting money
Ain't a damn thing funny
Fuck you bitch, I be stunting
Neon lights up in my face
Always move to the next place
Dore on my fucking neck
Cuban link up on the Cuban
Rolling doobies acting stupid for my set
Shawty wet (splash)
Bitch I'm up next
I'm always up to something
I leave you with nothing
Guess what I feel it's nothing
Fuckboys Heuer on my wrist
Bitches acting slick
Shawty on my dick and I love when she moves it

I got a fetish for the money
I'm always up when it's sunny
I'm rolling, she acting funny
She dressed up like a bunny
Cuban 'round my fucking neck
Shawty give me sex
She be popping X
I think that I'm up next
I got a fetish for the money
I'm always up when it's sunny
I'm rolling, she acting funny
She dressed up like a bunny
Cuban 'round my fucking neck
Shawty give me sex
She be popping X
I think that I'm up next

Yeah top down for traitors
Flossing in Navigator
Balling like the Lakers

Kobe Bryant my paper
Hopped up freezers
Fifteen my speakers
Candy funky Four Seasons
Two beds for status
Recline in North Dallas
Hooping at the Purple Palace
Las Vegas living lavish
I eat Versace salad

I got a fetish for the money
I'm always up when it's sunny
I'm rolling, she acting funny
She dressed up like a bunny
Cuban 'round my fucking neck
Shawty give me sex
She be popping X
I think that I'm up next
I got a fetish for the money
I'm always up when it's sunny
I'm rolling, she acting funny
She dressed up like a bunny
Cuban 'round my fucking neck
Shawty give me sex
She be popping X
I think that I'm up next
