Riff Raff

Oh My God, Ronny!

G5 flies with Aerosmith  
Cognac down with champagne drip  
Balenciaga boots with wing tip  
I sold a brick on the outskirts of Mississipp-  
Breaking blocks in crunch time  
Pour a nine in my moonshine  
Don't have time to wine and dine  
Last time you seen my paint was lemon line  
Young goon ride around with the Ruger  
Friday the 13th, guess who playing Freddy Krueger  
Valet park the Bentley tank on the curb  
Woke up just to sip on some syurp  
Fell asleep in a gated suburb  
She got on my nerves so I bought her a iceberg purse  
Versace on my ceiling fan  
Butterscotch Lamb on the outskirts of Pakistan

Yo, I was busy bending blocks (yeah)  
Icy presidential watch (oh)  
Got mask on sipping 'nac  
Now I don't do too many ticking clocks  
Hundred bands stopwatch  
Rocks in that bitch  
Steady playing hopscotch  
The tan droptop

The sandbox hot  
The ring blinging  
Got the chain swinging like a grandpa clock  
And oh man  
Toughen leather seats had to bubble my guts like, oh man  
Might fuck up your lunch trying to stomach my stunts like, oh man  
All these diamonds in this watch  
While they was busy sending shots  
I was busy blocks like

Oh  
I was busy bending blocks (oh)  
I was busy bending blocks  
I was busy bending blocks (oh)
