

Great job, boyband

I want to feel
I wanna feel you close to me
I wanna feel you right next to me
I want to see if you can help me fly again
And we can fly like a bluejay
And we can fly away
Together, forever

I want to feel
I wanna feel you close to me
I wanna feel you right next to me
I want to see if you can help me fly again
And we can fly like a bluejay
And we can fly away
Together, forever

I want to feel you close to me
I wanna feel you next to me
I wanna feel
I wanna feel real
I wanna feel real but I can't feel real alone, no

I want to feel
I wanna feel you close to me
I wanna feel you right next to me
I want to see if you can help me fly again
And we can fly like a bluejay
And we can fly away
Together, forever

That's right
She said to me
Peut-être plus tard mais pas maintenant
Peut-être plus tard mais pas maintenant, maintenant
Peut-être plus tard mais pas maintenant
Peut-être plus tard mais pas maintenant, maintenant, maintenant
Peut-être plus tard
Peut-être plus tard
We could fly like a bluejay

And she said to me
Peut-être plus tard mais pas maintenant
Peut-être plus tard mais pas maintenant
We could fly like a bluejay
Together
