

BRING IT BACK TO ME BABY

Riff Raff

Bring it on back to me, baby
Bring it on back to me
Bring it back to me, baby
Bring it on back to me
'Cause we argue too much
'Cause we talk too much
Then we don't talk enough
Bring it on back to me

Bring it on back to me
Bring it on back to me, baby

Bring it on back to me, baby
Bring it on back to me
Bring it back to me, baby
Bring it on back to me
'Cause we argue too much
'Cause we talk too much
Then we don't talk enough
Bring it on back to me, baby

Bring it on back to me, baby
Bring it on back to me
Bring it back to me, baby
Bring it on back to me
'Cause we argue too much
'Cause we talk too much
Then we don't talk enough
Bring it on back to me

Bring it on back to me
Bring it on back to me
Bring it on back to me, baby

Bring it on back to me, baby
Bring it on back to me
Bring it back to me, baby
Bring it on back to me
'Cause we argue too much
'Cause we talk too much
Then we don't talk enough
Bring it on back to me, baby
