

# BUTTERSCOTCH BABE RUTH

Riff Raff

Butterscotch, Babe Ruth, crushed jewels on my tooth  
Crushed jewels, crushed jewels, crushed jewels on my tooth  
Butter-, Butterscotch, Babe Ruth, crushed jewels on my tooth  
Crushed jewels, crushed jewels, crushed jewels on my tooth (yeah)

Tie your shoes, loose tooth, blue suit in the booth  
Back to bat matte mint St. Patrick's day coupe  
Talking MacGregor Blue Tooth, who you talking to?  
'Bout the Colossus of clout, couchsurfing from Beirut  
'Bout to shoot shootie hoops on you, fucking Froot Loops  
Butterscotch, Babe Ruth, crushed jewels on my tooth  
While you running upstairs grab broom off the roof  
Don't forget to take the trash, sweep uncle Gary's room  
You found his fleshlight and licked it  
Your grandfather's ticklish  
I'm very superstitious  
I'm allergic to taking pictures  
Unless it's with a flock of certified bad bitches  
You ain't allowed to go to Michigan  
Or go fishing  
In addition, you gotta ask your Mrs for permission  
I'm on a money-making mission, guard-gated subdivision  
I'm in the NBA, you in the D3  
You can't even make the D League  
You tried out in Italy  
And got sent home in three, days  
They wouldn't even let you be the towel boy  
For minimum wage, you better off  
Going home, begging your hometown sweetheart to stay  
But she already turned the page  
You only been gone four days  
And she already got engaged, today  
He works at Dave and Busters  
He's a bus boy with mustard on his shirt  
He got fired on the first for cussing at customers
