I have ice all across my hand
I have travelled to foreign land
I have ice all across my hand
I have travelled to foreign land
I have ice all across my hand

I have travelled to foreign land

Big baller don't wait, uh
Diamonds all over my face
Ferragamo on waist

.45 on my waist, just in case
Could've signed with Tulane, put it in a briefcase
I shoot a jumper like Tim Lake

I parked a Bentley on the curb

Just in case I might buy me a new plane
I may just double your price
I may just double your ice
Jody ain't got no wife
I need the bomb on ice
I need more syrup that sprite
I got a dirty cup
Teeth is princess cut
Chain is Holly Husk
Only 10 of us, proud of 2 of us

I have ice all across my hand
I have travelled to foreign land
I have ice all across my hand
I have travelled to foreign land
I have ice all across my hand
I have travelled to foreign land
I have ice all across my hand
I have travelled to foreign land
