

Last Time I Checked

Riff Raff

Uh, yeah, last time I checked
Uh, yeah, last time I checked
Uh, yeah, last time I checked
Uh, yeah, uh

Last time I checked, I was balling in the mix
Last time I checked, 50k on my wrist
Last time I checked
Last time I checked
Last
Last, last time I checked
Last time I checked, I was balling in the mix
Last time I checked, 50k on my wrist
Last time I checked
Last time I checked
Last
Last, last time I checked

Aquaberry ice, that's my life
1989 and my teeth venta white
Mitsubishi Galant, maybe diamond
I can wrist frozen like Vermont
Fifty degrees below zero, that's my watch
Lemonberry Lamb move, ring from Pakistan
Stainless steel Wall Street, journal expertise
I got enough stacks to fill a Footlocker Tall Tee
Ice tee suburban, I cannot rock Sterling
I only rock gold, don't catch a cold
Cutting through the traffic, pastrami honey ham
Last time I checked, Antarctica on my hand

Last time I checked, I was balling in the mix
Last time I checked, 50k on my wrist
Last time I checked
Last time I checked
Last
Last, last time I checked
Last time I checked, I was balling in the mix
Last time I checked, 50k on my wrist
Last time I checked
Last time I checked
Last
Last, last time I checked

I remember the last time I checked, I was a loser like beck
Leave my body in the garbage bag underneath the deck
I ain't shit to this world, better off with me dead
Scream off with my hair, razor blade in my hand
Eyes go blind when the ice get shown
22 below with the windows blown
Young piece of shit, you don't ever wanna know
The things we did just to eat back home
I don't wanna talk about it, I don't wanna think
LAST TIME I CHECKED, BITCH I DIDN'T WANT TO BREATHE

Last time I checked, I was balling in the mix
Last time I checked, 50k on my wrist

Last time I checked
Last time I checked
Last
Last, last time I checked
Last time I checked, I was balling in the mix
Last time I checked, 50k on my wrist
Last time I checked
Last time I checked
Last
Last, last time I checked
