

Long Time

Riff Raff

Yeah, I been runnin' for a long time
I ain't stoppin' 'til it's all mine
I been runnin' for a long time

I been runnin' for a long time
I ain't stoppin' 'til it's all mine
I'm in the hill, let my diamonds shine
'Cause everyday I be on my grind, hey
I been runnin' for a long time
I ain't stoppin' 'til it's all mine
I'm in the hill, let my diamonds shine
'Cause everyday I be on my grind, hey

In the hills where I stay posted
Homie jammed up but the case closing
We are not friends, put the breaks, homie
Wifey I stuck, shoulda stay frozen
It's gon' be a cold winter, me and my homies we gorilla
We too real, can't go realer
This shit is bananas, no Gwen Stefani
The last line didn't really matter, go figure

I ain't really with these gold diggers
I ain't with the face of the snakes, no feelings
Used to be broke with a really loud mouth
Now I'm moving silence and makin' more figures, Rez

I been runnin' for a long time
I ain't stoppin' 'til it's all mine
I'm in the hill, let my diamonds shine
'Cause everyday I be on my grind, hey
I been runnin' for a long time
I ain't stoppin' 'til it's all mine
I'm in the hill, let my diamonds shine
'Cause everyday I be on my grind, hey

Yo, my diamonds leave slow, they flooded
You niggas ain't stuntin', little buddy that's a double
I really said nothin' on the lean, they cut it
Ain't tryin' to be mean with you baby, just suck it
I picked my scene 'cause these niggas be bluffin'
Niggas act G but it really ain't nothin'
I stacked my cheese 'til a nigga warm, buff it
But workin' over tea a nigga need another budget, sure

You niggas ain't eatin', yeah
And I really ain't beefin', uh
Bitch, I really ain't Tweetin', yeah
Twelve with me and it's legal, uh
Well, bitch, we had the middles, uh
White bitches wanna meet us, uh
Whips foreign and they speeding, uh
And we ain't checkin' on the meters, yeah

'Cause y'all niggas need a liter
I'm lookin' like the one 'cause I been a young breeder
She wanna eat my guts, I don't think I wanna feed her

You niggas look sus', I don't really wanna meet ya, sure

I been runnin' for a long time
I ain't stoppin' 'til it's all mine
I'm in the hill, let my diamonds shine
'Cause everyday I be on my grind, hey
I been runnin' for a long time
I ain't stoppin' 'til it's all mine
I'm in the hill, let my diamonds shine
'Cause everyday I be on my grind, hey
