

# NEEYON

Riff Raff

Got ice on my left arm  
Put my money in the oven keep the bread warm  
Might grant a couple wishes when I wave wand  
I done stepped in the club cause of snow storm  
Five chains on my neck cost a couple mill  
Baquette crumbs on my shirt  
Eating lobster meals  
Put the lambo on rims before I signed a deal  
Momma blew me a kiss got sex appeal  
You could try to kiss my grill might get a chill  
Music so loud I could barely hear  
What are you doing after this girl let's chill  
5 seconds later poppin Neyon ex Pill

... get a chill  
... barely hear  
... girl let's chill  
5 seconds later poppin Neyon...
