

# Prada Program

Riff Raff

Hey, my eyes are up here [?]

You better get with the Prada program  
Damn, I just spent 40 grand on my door jamb  
Prada proof and titanium  
I just put a restraining order on my milkfish  
Paws get to itchin'  
The 488 came with a swordfish, came with a broomstick  
Tie my hands two times when the doors lift  
Came with a bad bitch, lilac lipstick  
Boysenberry diamonds look like Pop-Tarts  
I'm a wear my shades at night like Jimmy Hart  
I feel like Arnold Palmer when I'm driving golf carts  
Yeah, Benjamin Franklin  
I'm a throw diamonds on my AP anklet  
Old hundred faces with the smell of briefcases from the 80's  
Laced with the purest Peruvian pixie dust  
Caramel caravan parked adjacent to the platinum pink tour bus  
Aquaberry algebra ain't adding up  
As they adjust to what was previously discussed  
As the world turns from love to lust, after dust  
Gold tooth [?] look like King Tut  
If you smoke cigarettes, you get ejected out my Corvette  
I bought a basketball arena and it came with some porcelain [?]  
nets  
Never been married, never seen a corset  
I'm a swing the TRX like an elephant trunk  
I'm naturally upset if I make under 80 in a month  
Oh, it's that time of the month?  
[?] kicked it in the cunt  
Throwing 10 racks, told her to go buy me some Runtz  
She came back with some candy, a pack of Backwoods and some Plan B  
Haters can't stand me, should've won a Grammy  
I'm a take the top off the [?] in Miami  
RiFF!
