

## Raiders Vs Hawks

Riff Raff

I should'a played for the Raiders, I should'a played for the Hawks

I should'a played for the Raiders, I should'a played for the Hawks

I should'a played for the Raiders, I should'a played for the Hawks

Cause I'm ballin', but I'm in the backseat

I grab heat, I'm Dwayne Wade

I'm candy Hummer high school, LeBron James

Them black 500's with shades, The taper fade

I should'a won a Grammy for my freshest braids

My lemonade is sprayed with the codeine

I did a lot of drugs, but I'm not a dope fiend

Maybe I am, I'm flipping candy yams

Pontiac Trans Am, my wrist Toucan Sam

Polyester suit, my coupe minus the roof

I'm Sheryl Swoopes, Ballin', Babe Ruth

I'm hooping stratosphere, Bill Laimbeer

RiFF RAFF, Lex Luger, we outta here
