Spazz Out

Riff Raff

They used to sell me dreams, my [?] in the back
I'm looking for my team but my team is in the back
Spazzin' out, spazz out whoa
I didn't finish school, school is not for me
She's only 19 but her ID says she's 23
She's spazzin' out, spazz out whoa
Spazz out, spazz out
Spazz out, spazz out

We spazz out, we spazz out
We spazz out, we spazz out
We spazz out, we spazz out
They used to sell me dreams, my [?] in the back
They used to sell me dreams, my [?] in the back
Spazzin' out whoa we spazz out
I didn't finish school, school is not for me
I didn't finish school, school is not for me
Spazzin' out whoa we spazz out
Spazz out

We pulled up late but I was already drunk
Two pints of whisky in my red Hawaiian Punch
[?] love to hate me but I don't give a fuck
Drinking Budweisers in the back of Stacey's truck
Ya I smoked out for breakfast waking up at lunch
I'm the young sun hotter than a dragon tongue
Leaning at the light I can't see straight
Lady Luck's in my favor, glow in the dark razors

They used to sell me dreams, my [?] in the back
I'm looking for my team but my team is in the back
Spazzin' out, spazz out whoa
I didn't finish school, school is not for me
She's only 19 but her ID says she's 23
She's spazzin' out, spazz out whoa
Spazz out, spazz out
