She so talky talky
She like the paparazzi
She run her mouth so fuckin' fast
I call her Mazerati
She like a walkie-talkie
[?] bitch like she endorsed it
She gon' tell, tell tell
You ain't gotta force it
I think that ho an informant
She sumn like social media
Nah, fuck that
That bitch is Wikipedia
Lips smackin' always jackin'
She a real tipper
Threw some dirt around her
You scent up the river
I hit her with the block
Then she went and spin the block
She was stalkin' a n*gga crib
Like a motherfuckin' cop
Man, that shit gotta stop
She done took it over the top
Caught her at the beauty shop
Then I blew up her car
Ho!

Cause she too talky talky
Too much talkin'
Too talky talky

Wrist lookin' rocky
Teeth playin' hockey
I had to blocky blocky
Cause she too talky talky
