

## Tiger Bear Gargoyle

Riff Raff

Can I get a price scan on you?... Yeah [x2]

Now I'm on your roof, Gargoyle (grrr!)

Now I'm on your roof, Gargoyle (grrr!)

Now I'm on your roof, Gargoyle

She came in the club lookin' like a Tiger Bear [x2]

Yeah, Ughhh

If looks could kill, homicide

Let me know 'bout the extra baggage, drama side

Know you had your heart broke about a thousand times

Maybe this'll cheer you up, rollercoaster ride

Palace stage park, your body work of art

Now we in colonial times, stagecoach ride after dark

Take your shoes off, get comfortable

You could let your hair down... Rapunzel

Can I get a price scan on you?... Yeah [x2]
