Yeah, feel goodness sakes  
I might cop a wraith  
House on a lake, just in case  
I spent 2 plus  
Fuck a tour bus  
Driver tryna tell me that I smoke too much  
Bitch you fired  
Goons get hired  
Versace Mike Meyers  
Turning heads like a pliers  
Reset my roster  
She better speak proper  
Coulda been a doctor  
Ferragamo fiber optic  
You reach, I teach  
Respect my handles  
German jack-o-lantern, with the burberry pattern  
Swap or switch blades  
Chop block like King Kade  
I done poured an 8 in my grape gatorade

First class status  
You mad average  
Leaving outta flight club, got mad baggage  
Bought 3 pairs of shoes, spent 5 thousand  
Red carpet, best dressed, shout out my stylist  
All this water on me it's a flood  
Pretty girls said, "We wanna fuck"  
I'm tip toeing to the bank thinking  
Should I get the Bentley or the Wraith

Bought a house on Lake Superior  
I'm banked in Wisconsin  
Kicked outta 7th grade, cocaine on my tonsils  
Went to school to see girls and dressed fly  
I said I was sober  
Lie detectors determined that was a lie  
Used to pop lockers while y'all was at lunch  
Used to hide the vodka in my green Hawaiian Punch  
I wasn't too drunk, but I didn't pass  
Got a F in math, for having sex in the back of the class  
Backlash, I dropped out of school the next week  
Fast forward, I'm making 50k on every week  
25k just to hear the jodie speak  
Rubber band stretching like an athlete
