Riff Raff

(T-T-T-Tip...  
Draggin-Draggin' to the floor...  
T-T-T-Tip...  
Draggin-Draggin' to the floor...)

Tip-toeing through the jewelry store  
Christian Dior mink draggin' to the floor  
I don't really care about money anymore  
Pay me in jewels while I'm pouring up a four  
Tip-toeing through the jewelry store  
Christian Dior mink draggin' to the floor  
I don't really care about money anymore  
Pay me in jewels while I'm pouring up a four

I-I-I been blessed today  
No girlfriend, no stress today  
Never was a child, so I never copped a play  
You know crime pays, no minimum wage  
It's closing time  
Fishscale froze on my charm, Moonshine  
Midnight falls in the cold moonlight  
Crashing for a good night  
Diamonds drippin' out the gym  
While I'm watching my Husky swim  
Can't imagine life any other way  
Dale Dan Tony on a razor blade

Tip-toeing through the jewelry store

I don't really care about money anymore

Tip-toeing to the jewelry store  
I don't really care about nothin' anymore  
Grandma said I grew up, I ain't stubborn anymore  
I think that hoe mad cause we ain't fuckin' anymore  
Tip-toeing to the Gucci store  
Pussy, why you looking at my jewelry for?  
That's that shit that I might get a jury for  
You tuckin' your shit, why you buy that jewelry for?  
Tip-tip-toeing on the marble floors  
Thug life, feeling like 2Pac Shakur  
We was tip-toeing on your block, lil boy  
No James Harden, on my wrist a block, lil boy

Tip-toeing through the jewelry store  
Christian Dior mink draggin' to the floor  
I don't really care about money anymore  
Pay me in jewels while I'm pouring up a four
