

Watermelon Wise Guys

Riff Raff

Yeah, manicured nails just to roll blunts
I bought my nephew a new Rollie he want Roblox
Every time I showed up I had the doors up
Started with a 0 now I'm rich as Oprah
My bitches got they nose up
You ain't know 'tuss (You ain't know us)
I can't sleep unless there's Wockhardt in the soda
She don't eat breakfast unless it's with mimosas

Burberry bubble bath
Versace soap suds
The way I keep things rollin' they thought I was kin to Kelly
I'm a Prada people person
You're more Perry Ellis
I can't shoot hoops in jewels I might chip a tooth
The lemon loft got layers like tiramisu
I got ADHD and a short fuse
When shit hits the fan I might tear off the roof
Rather run through the rain than to ask you to borrow an umbrella
I don't fly helicopters I don't trust the propellers
I don't trust the way they spin
Too reliant on the wind
Too many climate change verbals
Imma take drastic measures
Imma hold my cup up looks like melted poinsettias

40-point diamond chain on me playing tennis
I be having back pain when I wear my pendant (Woah)
My partner drunk a whole pint and fucked up his appendix (Damn)
I flew out to Atlanta and took a random chick to Lenox
Can't pop out just for dinner paparazzi in my business (Business)
Voices in my head saying 'spend it'

In Acapulco they call me 'Aquaberry Apprentice'
Five o'clock shadow like Bruce Willis
Valet park at Wawa with the windows tinted
Watermelon wise guys
If it's under a hundred you won't see in it
I need soundproof room just to talk about my business
I need soundproof garage just to practice revvin' engine
My accountant's security (Security)
Insured it (Insured)
Came a long way from school
Shop at Mervyn's
Imma shoot a 3 in Phoenix they thought I was Wesley Person (Person)
