

## Work for It

Riff Raff

RiFF!

Used to ride, used to, used to ride a...  
Used to, forest, forest green Jag, Jag, Jag  
Forest, forest green, work for it  
RiFF!

I used to ride around in the forest green Jag, Jag  
I used to ride around, mad, mad  
Mad 'cause I had to work for it, work for it, work for it  
Mad 'cause I had to work for it, work for it, work for it  
I used to ride around in the forest green Jag, green Jag  
I used to ride around, mad, mad  
Mad 'cause I had to work for it, work for it, work for it  
Mad 'cause I had to work for it, had to work for it, work for it

Yeah, shout out to the school books  
The same books that I burned in the trash can  
Vocabulary, words from Afghanistan  
Don't talk to me in public 'cause that ain't my style  
A businessman worth a couple hundred million now  
A couple hundred billion if we're talkin' 'bout potential  
Can't talk about a Lambo if you drive a rental  
You can't have a dick if you talk to me, stop talkin'  
Better talk to the TV, I'm in HD  
Better to talk to my Hummer, it's an H3  
All I ever wants an all-girls slumber party  
Then I blow up and I act like I don't know nobody  
RiFF! Don't, uh uh

I used to ride around in the forest green Jag, Jag  
I used to ride around, mad, mad  
Mad 'cause I had to work for it, work for it, work for it  
Mad 'cause I had to work for it, work for it, work for it  
I used to ride around in the forest green Jag, green Jag  
I used to ride around, mad, mad  
Mad 'cause I had to work for it, work for it, work for it  
Mad 'cause I had to work for it, had to work for it, work for it

RiFF!
