

# Angels And Devils

Right Said Fred

Oh oh, you did the dirty on me  
Oh oh, why am I surprised  
Oh oh, got real shirty on me  
Ain't no telling why

Oh oh, you got my goat again  
Oh oh, a devil in disguise  
Oh oh, don't poke the bear again  
It's only a matter of time

Cos I'm caught, can't you see  
Caught between the devil and the deep blue sea  
Yes, I'm trapped, drat  
Everyone's laughing at me  
Oh, they're laughing at me

Well I know  
I should be sneakier, be on my guard  
I should be savvy in my own backyard  
I should be smarter I know

Cos I'm caught, can't you see  
Caught between the devil and the deep blue sea  
Yes, I'm trapped, drat  
Everyone's laughing at me  
Oh, they're laughing at me  
Cos I'm caught, can't you see  
Caught between the devil and the deep blue sea  
Yes, I'm trapped, drat  
Everyone's laughing at me  
Oh, they're laughing at me

Caught between the angel and the devil in me  
Caught between the devil and the deep blue sea  
Caught between the angel and the devil and the deep blue sea

Oh oh, you did the dirty on me  
Oh oh, why am I surprised  
Oh oh, got real shirty on me  
Ain't no telling why

Cos I'm caught, can't you see  
Caught between the devil and the deep blue sea  
Yes, I'm trapped, drat  
Everyone's laughing at me  
Oh, they're laughing at me  
Cos I'm caught, can't you see  
Caught between the devil and the deep blue sea  
Yes, I'm trapped, drat  
Everyone's laughing at me
